Class 511

Ernestia Monroe

Class 511 is a wonderful class with a lot of nice young men.

Miss M. and Miss Carol and Mr. Parker are also wonderful; and they take a lot of time with the kids. They are very friendly.

I did not really know what to expect when I got here; but what I got was a great gift. My gift was to be able to come into a class that welcomes me with open arms. I never would have expected to have as much fun as I've had.

I don't know where they get these teachers from in this school, but they are great. They need to get more like them 'cause they are the best teachers I've ever seen. And not just the teachers I worked with, but all of them are wonderful with

the kids. If I was a parent I would feel great leaving my kids in the hands of all the teachers at PS 771.

Keep up the good work. We need more teachers like you all. And thank you for having me and not making me feel like an outsider.

My Dog Is My Best Friend Dustin

My dog is my best friend because I love my dog very much.

My dog's name is John. He is a very big dog and he is still a puppy.

When I come home from school I always play with him. We play a lot of games. When I tell my dog to sit he listens to me.

My mother lets me feed him every day when I come home. I feed my dog rice and beans and he also eats dog food.

When other dogs come by my house my dog chases them away. I love my dog. That is why he is my best friend.

My Birthday Cake

Moishe Hammer

I had a birthday party and it was fun. I had a birthday cake and it was good and I also had magic. At my party I had some cups and some lights. I got a big surprise at my party. My mother got me a clown. All my friends were happy because I had a real nice party. At the end of the party I gave my mom a big kiss for giving me the best party in the world.

Snowman

Coran Davis

My snowman is made of snow. His name is Coran . He likes to sing and dance. His favorite song is Frosty the Snowman. We have lots of fun together. I am very lucky to have a friend like him.

The School I Go To

Bryan Ginzburg

The school I go to is PS 771K. I like the school because I can play. I also like my school because I get to ride the school bus.

When I am at school I get to look at movies. My teacher at school is Ms. M. She is really nice. Ms. Carol and she really helped me learn to write my name when I came to the class.

My new teachers are Mr. Parker and Ms. Ernestia. They are nice and that is why I like my school.

I Play with the Dragon

Kalipha Bility

The dragon likes me. The dragon is my friend. The dragon likes to fly. The dragon is green. His name is KB. I do tricks with KB. He likes dragon food and I like pizza. KB and I like to play games when I come home from school.

KB doesn't go to school. He is a dragon and dragons don't go to school. The dragon does not go to school because he is not a person. KB waits for me to come home so we can play games. We like to play basketball. I am lucky to have a friend like KB.

My Friend Emma the Bird **Vinny Cannistraci**

This is my bird Emma. She is my best friend. She is the mother bird of all the other birds. Emma can fly very high. I really like Emma. She lives with me.

When I come home from school I always play with her. After I come home and Emma stops playing I let her go out and fly in the tree next to my house. Emma has 4 eggs and after she flies she goes and sits on her babies. That is why I love Emma.
